Re: Request for Waiver of FY 2002 Regulatory Fee  
and Late Payment Penalty  
Fee Control No.: 00000RROG-03-054  
Bill No.: 0318000285

Dear Mr. Cohen:

This letter is in response to your request for waiver and refund of the \$1,595 regulatory fee for Fiscal Year (FY) 2002 and your request for a waiver of the late payment penalty, both filed on behalf of Northeast Radio, Inc., licensee of AM station WCAP.

In your request for refund of the regulatory fee, you recite that WCAP had an operating loss of \$26,230 in 2001. In support, you attach a Statement of Operations and Accumulated Deficit for 2000 and 2001. You indicate that although the statement for FY 2000 shows Operating Income of \$45,895, you had to write off \$61,292 in your 2001 Tax Return. Additionally, you state that you do not draw a salary or expense money. You subsequently provided a more detailed report from your accountant of your Operating and Accumulated Deficit and General and Administrative Expenses to further document your gross and net operating loss for 2001.

In establishing a regulatory fee program, the Commission recognized that in certain instances payment of a regulatory fee may impose an undue financial hardship upon a licensee. The Commission therefore decided to grant waivers or reductions of its regulatory fees in those instances where a "petitioner presents a compelling case of financial hardship." See Implementation of Section 9 of the Communications Act, 9 FCC Rcd 5333, 5346 (1994); recon. granted, 10 FCC Rcd 12759 (1995). The Commission further held that regulatees can establish financial need by submitting:

[I]nformation such as a balance sheet and profit and loss statement (audited, if available), a cash flow projection . . . (with an explanation of how calculated), a list of their officers and their individual compensation, together with a list of their highest paid employees, other than officers, and the amount of their compensation, or similar information.

10 FCC Rcd at 12761-62.

Maurice Cohen, President

2.

In determining whether a licensee has sufficient revenues to pay its regulatory fees, the Commission relies upon a licensee's cash flow, as opposed to the entity's profits. Thus, although deductions for amortization and depreciation, which do not affect cash flow, and payments to principals, reduce gross income for tax purposes, those deductions also represent money which is considered to be available to pay the regulatory fee.

Our review of Northeast Radio, Inc.'s Statement of Operations and Accumulated Deficit, after subtracting depreciation expenses from your operating loss, shows a net operating loss of \$440.00. While it is a small loss, it did not result from any compensation or reimbursement for expenses to you personally and it demonstrates sufficient cash flow difficulties to establish hardship. Therefore, your request for a waiver and refund of the \$1,595 regulatory fee for FY 2002 is granted. Further, given that your FY 2002 regulatory fee is being waived, we shall also waive the late payment penalty resulting from the late arrival of your payment check. A check, made payable to the maker of the original check, and drawn in the amount of \$1,595, will be sent to you at the earliest practicable time. Bill No. 0318000285 will therefore be cancelled.

If you have any questions concerning this refund, please contact the Revenue and Receivable Operations Group at (202) 418-1995.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark A. Reger", with a stylized flourish at the end.

Attn: Regulatory Fee Penalty Waiver

Dear Managing Director:

I am requesting the waiver of the late penalty fee imposed on my regulatory fee payment mailed Saturday 9/21/02 and due Wednesday 9/25/02.

In my calls to the FCC office, I was informed their records show 9/26/02 as the arrival date of my regulatory fee payment.

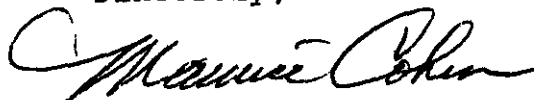

The penalty notice to me was postmarked Friday 9/1 and delivered here Monday 9/4. We have no mail deliveries Saturday or Sunday.

I have never had a penalty notice or fee imposed for late payment to the FCC before.

In one of my calls to the FCC office this week it was suggested that I check the stamp date on the back of the check. The check arrived today (11/8) from the bank, however, it was not of any help as it was stamped 10/11/02.

Thank you very much for your consideration in this matter.

Sincerely,

Maurice Cohen  
President

Dear Mr. Putnam:

As you suggested I am faxing the front and back of my check for the Regulatory Fee Payment. I also checked the mailing address and it was mailed correctly to P.O. Box 358835, Pittsburgh, PA 15251-5835.

I would like to emphasize that I did call the FCC upon receipt of the penalty notice and was told that my payment was stamped as arriving 9/26/02. I personally delivered the payment letter to the Post Office on Saturday 9/21/02. Hopefully you may located the envelope, with the postmark, attesting that it was mailed with adequate time to arrive by 9/25/02.

In reviewing my letter dated 11/8/02 (copy attached) I noticed I had inadvertently typed the wrong month in the third paragraph. The dates should have read 11/1 and 11/4, as corrected in the attached copy. I was attempting to demonstrate that it normally takes only a few days for the regular mail to travel that distance.

WCAP has been operating in a deficit position for many years due to market conditions here. It would be an imposition to have to pay a penalty.

Please let me know if there is anything else I can do. I appreciate your consideration in this matter.

Attn: Regulatory Fee Waiver/Reduction Request

Dear Sir or Madam:

Under separate cover I have submitted my regulatory fee payment ~~by~~ check in the amount of \$1595.00 FY 2002.

I respectfully request a refund of the above fee as WCAP had an operating loss of \$26,230 FY 2001.

Enclosed is a copy of our "Statement of Operations and Accumulated Defecit" FY 2000 and 2001. Although the above statement FY 2000 shows Operating Income of \$45,895 we had to write off \$61,292 in our 2001 Tax Return.

WCAP has continued to serve the community in the public interest the same as in all prior years. This is more important now as WCAP is the only commercial radio station serving this community. The other radio station licensed to Lowell (WLLH) was sold, their studio moved out of town and programming converted to 100% ethnic.

We employ local news reporters in addition to offering AP News and Network News. We render the services of a local meteorologist with the latest weather reports. Every fall we conduct a direct mail campaign to the Greater Lowell Area and all nearby cities offering free storm cancellation announcements to schools, colleges, factories, businesses, organizations etc. Free interviews/debates for practically all candidates for public office (includes state and local candidates). Daily interviews, Monday thru Saturday with anyone that may wish to disseminate information of interest to the general public. Conduct charity drives. I personally do not draw a salary or expense money, do not take vacation time and work at the station 10 to 12 hours per day.

Thank you for your consideration.

Sincerely,
